Our Suppliers and About D.K.G

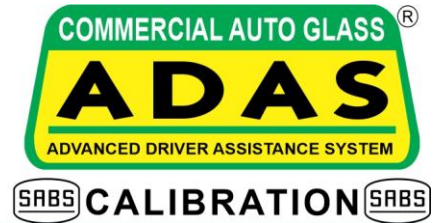

D.K.G is one of the largest automotive glass manufacturers in China. 95% of their products are being exported globally.

D.K.G has a complete set of advanced management scheme and technical skills based on the ISO9001 requirements as well as an independent quality control department to maintain the high standards of their products. Raw materials are purchased exclusively from quality-assured suppliers to maintain a high standard. Consequently, their products have obtained the Europe ECE43R, the U.S. DOT-637, the China CCC and the South Africa SABS Standards.

A large, stylized blue logo for "D.K.G." is centered on the page. The letters are bold and italicized, with dots between them. To the right of the logo is a registered trademark symbol (R) inside a circle. The entire logo is set against a white background with a subtle reflection effect below it.
